

June 29, 2018

Dear Grace England Community,

I hope you are all having a great summer! Although many of you know me very well, I want to take a moment to introduce myself to our Grace England families and community members. I moved to Houston twenty years ago with my husband and two daughters. My oldest daughter is now a 2nd grade teacher at Kreinhop. When Grace England opened its door in 2012, I was hired as the Literacy Specialist but took on the role of Assistant Principal in the middle of that year. I have served in that position ever since. My educational background, training, and teaching is highly focused on the early elementary years. I learned to speak Spanish as a missionary for my church.

I want you to know that I am so honored and excited to continue to serve the Grace England community in a new role as principal! As your new principal it is my mission to motivate, encourage and empower our school staff into continual excellence as Promise2Purpose investors dedicated to the success of *every* student and serving others. I believe every child needs a strong academic foundation to be innovative leaders in the 21st century. I promise to continue to implement campus practices that support Grace England's strong commitment to being student focused and relationship driven. It is my desire to lead in a spirit of clarity, collaboration, and transparency; thus, implementing an open-door policy to effectively communicate and uphold the Klein ISD vision of every student entering with a promise and exiting with a purpose.

As we begin our journey in the days ahead please know that I welcome your input and feedback. I encourage you to reach out to me with any questions, concerns, and ideas you may have. Together we can and will succeed because of our commitment to work together to ensure Grace England students are prepared for the future. We are the "Promise" in "Promise2Purpose"!

Looking forward to a GREAT future,

Jaunee Perry
Principal, Grace England EC/PK Center
